Dear Ed,

Thank you! Thank you & your team for building Bonnie & me our dream house. It is hard to believe that what everyone advised was going to be a painful & aggravating experience turned out to be positive experience every step along the way. Your forthrightness, integrity, & professional staff delivered more than we could have ever hoped for. Linda, Jay & Wes could not have been more responsive & invested in the end result. Never once was there a surprise that did not have a solution & the quality mindedness & timeliness will always be remembered.

Bonnie & I welcome the opportunity to be contacted by any potential MileStone client & we sincerely thank you once again for making our dream home come true.

Sincerely,

Steven A. Schwartz
